### **Owner Service Agreement**

We need the 3 page service agreement filled out. The Right of Way Easement needs to be signed in front of a Notary. This can be done at our office for no charge. Also a copy of your driver's license. A **\$100.00** deposit check, money order, or cash if the meter is already there. We also need proof of ownership with a copy of a deed or closing documents. If there is no service on the property you will need to talk to our General Manager Wendell Moore for the cost. It is usually **\$5,500.00** unless a road bore or line extension is required. If the property is a Lease to Own, there will be a **\$200.00** deposit same as a renter deposit. It is refundable at the end of the lease if no outstanding bills are due.

### **Renter's Service Agreement**

We need a Renter's application filled out. A copy of your driver's license, a **\$200.00 DEPOSIT** check, money order or cash, that is refundable if you have no outstanding bills at the end of your lease. We will also need a forwarding address to mail your refund check or you can come by the office for your refund.

If you have any other questions feel free to call.
